Square Dancers Swing Partners Here Saturday

"Swing Your Partner" will echo through Hunt's Cannery on North Harrison St. here Saturday night, promising to be one of the highlights of the three-day celebration when square dancing groups from all over the area gather for the affair.

Dancers will step around to the calling of several well-known callers. Ken Clark, featured caller, will be master of ceremonies, with Jim Mork of Hayward assisting. Lou Hughes of the Korn Krackers Square Dance Club, and Miss Neva Johannes will be relief callers.

Star Swingers Club, Rafter Rockers, Tri Squares (from Rosemary School), Jokers (Quito School), Foothill Swingers (Los Gatos), Dudes and Dolls, San Joes, Dancin' Dandies, Cupertino, and Highland Hillbillies will be among square dancing groups.

Other square dance classes attending will be from Mt. Pleasant School, St. Justin's School, Santa Clara and San Tomas School.

Dancing will begin at 8 p. m. Saturday. Norman Corvello is dance chairman. He says tickets have been distributed among various square dancing groups and will also be sold at the door.

Business and Professional Women's Club of Campbell will handle the refreshments concession.

Dancing will be held in the cannery through the courtesy of Hunt Foods Co.

Honor Old Settlers

Old settlers will be guests at a luncheon at the grammar school auditorium at 11:30 a. m. Saturday.

On The Line in Campbell

Mrs. Clara Baldwin, Campbell poetess and Old Settlers' Day historian (her poem, "Old Settlers' Day", appears in this year's program), is confined to her home after falling and breaking her arm severely and receiving a concussion. She has been forced to remain in bed and will be unable to ride in parade Saturday or participate in any of the other Old Settlers' events.

Emerson (Doc) Arends, of the Campbell Lumber Co., will be keynote speaker at a rally honoring Assemblyman Bruce F. Allen, incumbent 29th District, on Monday, May 14 at 8 p. m. at the Camden High School cafeteria. Edward P. Stanley will preside.

Sam Cava, secretary-manager of the Campbell Chamber of Commerce and main sponsor in the Old Settlers' Day program, was notified this week of the death of his sister, Mrs. Louise Lico of Piane Crati, Province of Cosena, Italy. She was the eldest in the family. Besides Sam she is survived by three other brothers, Anthony of Palo Alto, and August and Joseph, both of Salinas.

Les Harmon is expected home this week on the road to recovery

THEIR DISHES RUNNETH OVER

Spaghetti and meat balls, that ever popular meal of Italian extraction, almost caused indigestion among some of the members of the local Italian-American Club last Thursday when they made a manful effort to eat their over-filled plates of that delectable dish.

The club's secretary felt that members didn't have to be reminded of a regular meeting. How wrong he was was proved when as a result only sixteen club members showed up though the refreshment committee had prepared for the entire membership of 40.

So there was plenty of spaghetti and meat balls. Those attending made a valiant effort to get their friends and neighbors to give them a helping hand. But it was too late. Even the enticement of a free meal couldn't induce those who had put a full dinner away already to take on more food.

So the sixteen conscientious members did their best. Between bites they prudently impressed the secretary that he should get the notices in the mail for the next meeting.

The club members knew a good thing could be carried too far.

Even spaghetti and meat balls.

HONOR MOTHERS

"This Sunday afternoon as a fitting climax to the three-day Old Settlers' Day celebration, just a week prior to the universally observed Mother's Day, a program at the high school athletic field at 2:30 will honor motherhood in general.

Planners Learn Street Plan-Line Cost Tonight

How the cost will be met for the establishing plan lines for Campbell Ave. and Winchester Road will be presented by Nestor Barrett to the Planning Commission tonight in the Country Woman's Club at 7:30.

Barrett was directed by the commission at its last meeting to look into the matter which is estimated to cost \$500 for Campbell Ave. and \$350 for Winchester Road.

Tentative plans call for the widening of Campbell Ave. to 80 feet and Winchester Road to 86 feet but no official plan lines for these widths have as yet been adopted. Adoption of them would prevent building of permanent structure on land that would eventually have to be taken over by the city.

The commission decided to move toward the adoption of a plan line when Chairman Homer Hyde pointed out to the group that, although it was understood that the street would be widened, in some cases there had been construction started in the "freeze-zone". Without an official plan line, such construction can not be prevented.

The commission recently established the plan line for Hamilton Ave., after months of discussion over the controversial "jog". The City Council on April 23 gave the first reading to the ordinance setting up the official plan line for Hamilton Ave. at 120 feet.

On the agenda also tonight is the continued hearing on the application for Myron R. English for a change of zone from R-1 to C-1-S for his property located on Winchester Road between the Assembly of God church building and another lot also owned by the church. English told the Commission that he wants to build an office building with apartments upstairs on this property which has a 50-foot frontage on Winchester.

The commission is also scheduled to set a public hearing date for the application from Burt Burda for a change of zone from a residential zone to a light industrial one. The property is located at 50 Mission Way and is now

The city engineer's office is also known as the Campbell Hatchery, scheduled to present standard cross-sections for approval by the Commission.

BUY U. S. BONDS

Residents of Santa Clara County purchased a total of \$2,242,233 worth of United States Savings Bonds during the first three months of 1956, it was announced this week by Frank C. Mitchell, County Savings Bonds Chairman. The announcement was made in recognition of the 15th Anniversary of the United States Savings Bonds program which starts this month.

COUNCIL ACTS ON FIRE ZONES

Campbell's City council will consider the establishment of fire zones in the City of Campbell at the meeting Monday night at the Country Woman's Club.

Both Fire Chief Jack Scott and W. L. (Bud) Morser, building inspector, have urged the adoption of the zones which is also mandatory under the city's building code. They maintain that the zones will assist materially in preventing major conflagrations because they will allow hazardous construction only in specified areas.

The map of the proposed zones outlining the areas that would be in Zone I, (industry) and Zone II (commercial and business) was published in last week's Press. Commercial zones would generally be in the center of the city. The Council is expected to act favorably on the proposal.

Mayor John M. Chargin on Monday is also expected to name two members to the newly created seven-man Personnel Board. The Council will also be members of this board.

WHEN WILL YOUR NUMBER BE UP?

It is now official! Although few residences or other buildings in Campbell have begun to sprout their new numbers as yet, the ordinance setting up the new numbering system is now the law of the city.

There is a rider in the ordinance, however, that allows an extra 60 days for all the numbers to be placed on the buildings. Both the offices of the planning consultant, Nestor Barrett, and that of the building inspector, W. L. (Bud) Morser, are rushing the completion of lists showing both old and new numbers.

Residents will be notified by mail, eventually but individuals now can find out their new numbers from the building inspector's office (if they know their lot number).

They can hang 'em up now, too, if they want to.

Even if the guy across the street sticks to his old digits until the very last hour.

RESERVES TO AID

Campbell's 16-man auxiliary police force under Captain Vince Diehl will be on hand during the three-day Old Settlers' celebration to assist the regular police force in traffic control and other police duties.

In addition to traffic control, the officers will patrol the carnival area and other congested locations in the city.

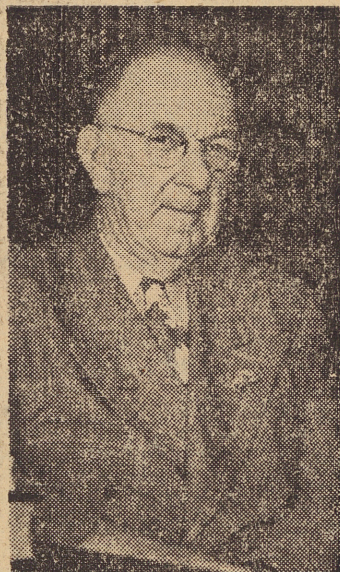

The police reserves are required to work only 12 hours per month but this weekend will voluntarily put in regular shifts to give the community adequate coverage.

The same protection was given by the police reserves at the past three Old Settlers' celebrations.

ROTARIANS HEAR ABOUT OKINAWA

Rotary Clubs' guest speaker last Monday was William R. Smythe of San Jose State College whose subject was "Okinawa is No Longer the Pest Hole of the Pacific". Colored slides accompanying his talk showed intensive farming now being carried on there and what has been accomplished in cleaning up Okinawa, with assistance of the U. S. Army.

Pictures of the scenery and people of Okinawa were also shown. Mario Saia was chairman for the meeting.

RUNS THE SHOW . . . Judge Martin S. Walsh of Campbell who will be master of ceremonies at the Old Settlers' Day luncheon on Saturday from 11:30 a. m. to 1 p. m. just prior to the parade. He will also preside at the mother-of-the-year program at the high school football field on Sunday afternoon at 2:30 when Rev. Charles W. Dullea, S. J., rector of Bellarmine will be the main speaker. The 60-piece famed Sciots band of Watsonville will present a concert also during the afternoon and the mother-of-the-year will also be introduced. Judge Walsh will also be the announcer for the parade on Saturday afternoon.

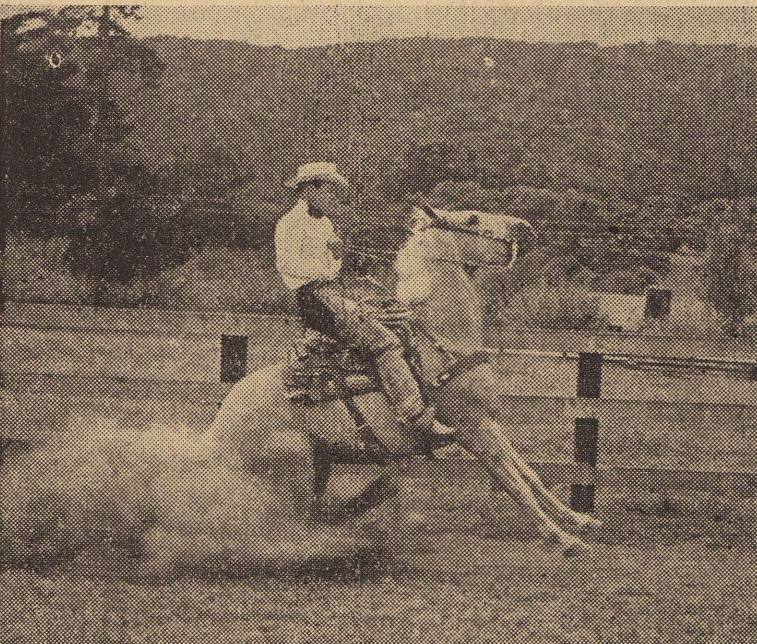

GEORGE KEMP . . . Old Settlers' Chairman

JC's Plan Old Time Breakfast

Campbell Jaycees are prepared to serve a real Old Settlers' breakfast to the public on Saturday, featuring a menu of sausages and light, fluffy pancakes—all you can eat—with coffee. Breakfast will be served from 8 to 11 a. m. in the I. O. O. F. Hall. For adults, breakfast will be 75 cents and 50 cents for children.

Ken Roberts is chairman of the affair, assisted by the following committee: Orrin Accardi, John Bates, William Jensen, John Kurazawa, Millard Lee, C. F. Livingston, Robert Long, William Brader, Burton Reynolds, Gerald Whitaker and Leonard Young.

IN THE PARADE . . . Bob Miller, manager of Pacific Gunlight Co., of Palo Alto, brings his horse, "Major Golden Hour", to a sliding halt. The horse and rider will lead the second division in the Old Settlers' Day parade on Saturday afternoon.

Need Transportation

Herb Shadle, chairman of the Old Settlers' welcome committee, appealed this week for transportation for the old settlers who will be guests at the luncheon on Saturday at the Grammar School cafeteria.

He also urged all old settlers who are planning to attend the luncheon to notify the committee immediately so reservations can be made for them. Shadle said that more than 160 old settlers had been invited but a large number had not yet replied.

Mobile X-ray Unit Comes Here May 15

Residents are reminded this week that the Mobile X-Ray Unit will be in Campbell on May 15 and all residents over the age of 15 are urged to have chest x-rays taken at that time. The unit will be stationed at the corner of Campbell and Dillon avenues, with current supplied for the unit by the Campbell Press.

The Mobile Unit will be here under the joint sponsorship of the Campbell Chamber of Commerce and Women's Service Club, with Sam Cava as general chairman.

X-rays will be taken from 11 a. m. to 12:30 p. m. and in the afternoon from 1 to 4:30 p. m.

An educational program for workers will be held in the home of Mrs. Herman Rice, Sr., president of the Women's Service Club, Monday night, with the following present: Mrs. Iva Thomason, County health nurse, Mrs. Joseph Ruffino, Campbell Grammar School nurse; Mrs. William Runge, Campbell High School nurse; Dr. Lydia Verburg, health director for Campbell Union School District; Andrew Larsen, Christmas Seal sale chairman; Mrs. John Kenney, x-ray technician (who will operate x-ray unit); Mrs. Geraldine Terrell, assistant secretary, Santa Clara County Tuberculosis Association, and Vincent Parlett, county health educator.

Kiwanis Club to Sponsor Trackfest At School May 12

Kiwanis fifth annual "Picnic Day" will be held May 12 at Campbell High School track. Sponsored jointly by Campbell Kiwanis Club, Campbell High School District and Campbell Union School District.

Participating will be seventh and eighth grades in the high school district, also fifth and sixth graders in the elementary school district.

Bill Priddy, track coach at the school, and Joe Stein, Campbell Union School District physical education consultant, will be co-directors for the event.

Officials will be members of the Kiwanis Club, High School personnel and boys from the Buc track team.

Kiwanis Club is donating ribbons for those who place in the events.

Interest Picks Up In High School Board Race

Interest in the Campbell Union High School trustee election on May 18 took a decided upswing this week as the Faculty Club of the high school went on record to sponsor a public forum to which all three of the candidates for one vacancy have been invited.

Both the Camden High School PTA and the Campbell High PTA have been invited to jointly sponsor the panel tentatively scheduled for the Camden High cafeteria on Tuesday, May 15.

Filed for the office of trustee are Raymond B. Bishop, incumbent, long-time board member and Edwin B. Jennings, in the Cambrian Park area and Thayer Lyons, a contractor and builder.

Lyons is a graduate of Campbell High School, class of 1936, and originally moved here with his family in 1933. After serving in the Navy during World War II, he returned to Campbell. The Lyons, who have four children, two boys and two girls, built their home on Carlyn in 1947. Three of their children are attending the local schools.

Lyons told The Press this week that he sincerely felt that residents of the community should take a more active interest in school affairs and that they should be more aware of what was going on schoolwise. He feels that the actions of the board should be publicized to a greater extent.

He is a member of the Lions Club and has been active in PTA, scout and church work in the community. He was the contractor and builder of the new First Methodist Church.

Civic leaders hailed the action of the Faculty Club as a step in the right direction as far as acquainting the public with school affairs. The public has been urged to attend the forum on May 15 to hear and see the three board candidates.

Effective July 1, Neal Royer, principal of Monroe School will assume new duties as assistant district superintendent of schools for Campbell Union School District. Superintendent William C. Henley announced this week.

The appointment by the trustees marks a new departure for the district and reflects its growth to well past the 500 pupil mark. Royer will have charge of carrying out the district educational program under Henley. In this capacity, he will assume some of the duties of administration pertaining to the educational field and will assist in coordination of the total district program.

Native of Decatur, Alabama, Royer has taught in the district eight years, starting as a teacher at Moorpark School. He also took extra work to secure a Masters degree in educational administration in 1952 at Stanford University. Rising through a number of positions, he was named the first principal of new Monroe School last fall, and has continued in that position to the present. He will retain the post through closing of School in June. He was vice principal at Campbell Grammar School and the first principal of Rosemary School.

The new assistant lives at 393 Carlyn Ave. in Campbell, with his wife, Dixie, and two sons.

In addition to his school work, Royer is also a veteran of five years in the Army during WWII, and has 18 years of service with the National Guard, in which he is now a major.

Trustees in establishing the position and naming Royer to fill it, set the salary at the same rate as principal, but extended to cover 12 months a year, instead of 10 as at present.

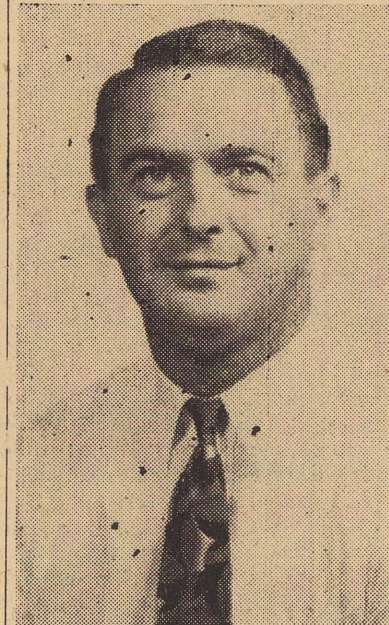

ADULT CENTER HERE PLANS OPEN HOUSE

Campbell and Camden High School Adult Center faculty members held a dinner meeting at the Campbell Adult Center last Thursday when Mrs. Edith Schlosser, principal of San Jose Evening High School Willow Glen Center, spoke on leader and group relations.

Ed Stanley, director of Adult Education at Campbell and Camden Adult Centers, introduced the new technicolor pictures of class and group activities, which will also be shown at the Campbell-Camden Adult Education Open House on May 15 at the Campbell Adult Center.

The Open House will feature exhibits, showing what is being done in the various adult education classes in the district.

James Lick Dethroned CAMPBELL HIGH TRACKSTERS WIN DUAL MEET LEAGUE CHAMPIONSHIP

SMILES OF VICTORY... Bill Priddy, Campbell High School track coach, beams proudly after his track and field performers won the Santa Clara Valley Athletic League dual meet title. Last week's victory (64-58) over James Lick cinched the pennant for the Bucs. The next big event in store for the local tracksters is the SCVAL trials, Tuesday, May 8, and the finals, May 11. Both meets will be held at Los Gatos High School.

Campbell High School's trackmen this week were preparing for their big test next week at Los Gatos in the Santa Clara Valley League trials and finals after wrapping up the league's dual-meet title by defeating James Lick last week 64-58.

The Bucs gave James Lick its first defeat in SCVAL competition since 1954 and the win by Campbell was termed an upset in league circles.

Campbell also won the B's 97 to 25, the C's 55 to 40 and won the D division by forfeit.

The Lick meet started out like it was going to follow past performances when the Lickmen took the 880, 440 and low hurdles before the Bucs could get off the ground. But the Bucs were not to be denied.

Ron Reeder scooted to victory in the mile in 4:51.0, eight seconds better than his previous best. Then John Dial and Terry Boone went one-two in the high jump and Tom Jenkins and Russ Cahill took second and third in the discus. And things began to pick up for the Bucs.

The count stood 59-58 when it came time for the mile-relay event. It was Monte Nielsen (who had won both the 100 and 220) who put the title on ice in the final lap of this important event. The speedy Buc had to pass Lick's anchor man to hit the tape first and he did.

And that's how James Lick was dethroned as the dual meet champion, an unofficial title but one that Lick had held since 1954. Actual champion of the league will be the winner of the SCVAL meet at Los Gatos on May 11.

Among the unsung heroes of the meet was Ken Sweet who took a third in 100 and first in the broad jump. Profit won his specialty, the shot put, with a heave of 54-6 and Kinsey took the pole vault at 10-6 for other Campbell first place winners.

Netmen Win 10th; To Play Mt. View

The tennis team won its tenth match without a loss April 24. They beat Menlo School for Boys by a score of 4-1.

The victory was won despite the fact that Menlo shifted their team to make it stronger in Campbell's weaker spots.

The racketmen meet Palo Alto and Mountain View this week, both of whom are major threats to the Bucs' hope of an undefeated season. The Mountain View match will decide the league championship.

The results:

1st singles: Chuck Offer (M) def. Gene Andres (C) 6-2, 6-3.

2nd singles: Nate Meleen (C) def. Dick Hyde (M) 6-1, 6-1.

3rd singles: Art Hill (C) def. Al Lock (M) 10-8, 6-1.

1st doubles: Bill Meyer & Clark Wright (C) def. Del Federman & Chuck Oberfelt (M) 6-2, 7-5.

2nd doubles: John Davis & Don Griffey (C) def. Ed Parvin & Dennis Ahlman (M) 6-4, 6-3.

TENNIS TEAM SEEKS TITLE

Campbell High School's league-leading tennis team plays the most important match of the season next Tuesday when the Buc netmen take on the strong Mountain View varsity.

Although undefeated in league play, the hard-serving Eagles of Mountain View are capable of stopping the Bucs in their quest for the tennis title. This season so far Campbell has defeated Fremont, Gilroy, Washington, Menlo, Palo Alto and Los Gatos.

Tom Goulding, number one singles player on the Buc varsity, has chalked up seven wins against only one loss. This marks his third varsity season. He is also a cross-country runner for the Bucs.

SCVAL Swimmers Meet in Finals Here Saturday

Although Old Settlers' Day activities will be occupying the minds of most residents and visitors this Saturday afternoon, a group of high school athletes in town will have other objectives.

This Saturday at 2 p. m., the finals in fifth annual swimming championships for the Santa Clara Valley Athletic League will take place at the Campbell High School swimming pool.

New records in many of the events were set in the trials that took place at Campbell High this week. Campbell swimmers setting new records were: Jim Omura in the 100-yard breaststroke "B", Bill Duncan in 50-yard freestyle and 75-yard individual medley; John Duncan, 200-yard freestyle; and Doug Campbell in the 100-yard freestyle "A".

Steve Skold, from Camden, who has been breaking records all season had a couple more to his record in the trials in the 100-yard freestyle and also in the 150-yard individual medley. Both in the "A" events.

The Buc mermen are favored to win the SCVAL championship because of their season's record. In the trials the local swimmers held more than their own and have qualified in every event. In one event, three out of the six finalists will be Bucs. Jim Mitchell, Glen Dalzell and Britt Finley are the three who are dominating the 100-yard backstroke finals in the A division, Bob Wegman of Santa Clara, however, has made the best time in this event.

L. M. Scroggins, swimming coach at Campbell, is meet manager. First place in the finals count seven points, second counts five, with sixth place getting one. Med-

QUITO QUORNER

Cub Pack 35 was entertained by Mrs. G. Elizondo's den at its last meeting. David Fowler, Keith Duce, Ricky Landis, Douglas Seckatz, Danny Wardell, Arnie Lawrence, Bobby Veal and Steven Chaplin put on a skit, "Weary Travelers".

At their den meetings this week they are to practice marching for the Old Settlers' Day parade. They will have a float "Yesterday and today" entered as well as a marching unit.

Drue McMillan's sixth grade class has just finished an imaginary trip to Alaska. The teacher set up ten committees. The children in each committee chose a committee chairman. The chairmen were Gordon Kubota, Barbara Hollis, Buddy Kiles, Donna Long, Walter Workmon, Larry Elizondo, Ro-Ro le Doux, Ted Rubino, Jackie Greensides, Kathy Whaley and Richard Alexander.

The Luther League met at 7 P. M. at the home of Mr. and Mrs. David Avery. This is another youth group for the area, with membership open to all young people of the sixth grade and older.

Visitation day was damp and rainy, so that not as many parents as had been hoped for visited the classes in session. The ones who came saw the new bronze plaque which is on the wall opposite the office.

The plaque chronicles the date Quito school was finished, December 19, 1952, the School Board, Edward Van de Mark, L. E. Means, Lee Anderson, Ed A. Merrill, and Walter Williams. Wm. C. Henley, district superintendent and Dorothy M. Sutter, principal, are also listed.

Open house on Tuesday evening was held in conjunction with the

SAN TOMAS SUMMARY

Kingdom Hall, 17115 Wedgewood Ave. is beginning to plan for the District Assembly, which will be held in Albany, California, this July. Vito Pavone, Congregation servant promises his congregation will have full representation there.

The Rev. James Warren, pastor of the San Tomas Baptist Church, received his Master's Degree in Religious Education from the Golden Gate Baptist Theological Seminary. The commencement exercises were held last week.

Geil Davis gave a luncheon in his honor at her home in Berkeley. Rev. and Mrs. Warren were guests of honor. Mrs. Louise Thrash, Mrs. Lee Blankenship, Mrs. Bobby Play, and Mr. and Mrs. Johnny Brown were also among the guests.

The State Training Union of the Southern Baptist Church will hold a Convention in San Jose this week end. The San Tomas Church will send its 11 member associational choir to participate in the chorus.

The Campbell church, with pastor Rev. Billie Pate and the Cambrian church with pastor Harold Green will also take part.

PTA flower show and installation of officers.

Flower show entries came in from 1 until 6. Ethel Lake, Jessie McManus, Sally Crisafi, Carol Patrick, Carol Wallace, Isabelle Pechin, Mary Spiker, and Ella Workmon took blue ribbons.

Ella Workmon took 16 prizes in all, with five firsts. Her son, 8-year old George Workmon, took a prize with a potted ivy he had grown from a slip.

Mary Spiker and Ethel Lake took seconds and Louise Pechin, June Hamilton and Violet Hann took third prizes.

Accredited judges Mrs. Geo. Kolze from Campbell and Mrs. Hudson from San Jose made the awards.

From 6:30 to 7:30 the classrooms were open with the children's work on display and the teachers there to answer questions.

After the open house, the PTA meeting began. Superintendent Henley installed the new officers: H. J. Serner, president; Peggy Elmore, first vice-president; Dorothy Sutter, second vice president; Maurine Jones, secretary; George Hogan, treasurer; June Hamilton, historian; Ray Spiker, auditor.

Both the new officers and the outgoing ones received corsages.

Troop 213 of the Brownie Scouts was hostess to about 80 girl scouts and parents at a movie showing Camp Skylark and Camp Sycamore. Miss Mary Garfield of the San Jose office answered questions about the day camp and the week long Girl Scout camp.

Troop Committee Mrs. Hazel Thompson, Mrs. Peggy Phillips, and Mrs. Ruth Rainie served cup cakes and punch, aided by troop leader Dorothy Berwick and co-leaders Lorna Caravello and Virginia Fields.

J. B. Collins Jr. returned from a three-weeks vacation trip to San Diego and Los Angeles. He flew from San Francisco to San Diego, where he spent a week fishing. He then spent two weeks in the Los Angeles area sightseeing and visiting relatives. He flew home Saturday night.

Residents of Elam Ave. are very unhappy because the bridge across the Vasona creek consists only of a two-by-six thrown across the stream.

When the street was first put in, it ended at the creek. Now it has been extended so that it touches Harriet. This mean only that the stream cuts it in half.

Sharon Janes went back to school in time for Public School Week. The 12-year old in March was badly burned. She played the cello in the orchestra, and took her place in the activities of her class.

This was possible because Campbell district has a group of "home teachers". When Mrs. R. A. Janes found that her daughter would be out of school three weeks, she phoned the district office and arranged for a home teaching

MORELAND MUSINGS

Mrs. Carleton at Bucknall School reports 142 kindergarten children have signed up as of last week. Inasmuch as there are upwards of 200 children in kindergarten this year, it seems likely that many families in the area with kindergarten children have not signed up.

It is the intention of the administration to hire teachers and prepare facilities only for those who sign up in advance. If there are other children of kindergarten age, in the district please register them at Bucknall School, corner of San Tomas and Bucknall.

Gene Mercuri's seventh grade was the sponsoring class for the April teen-age dance. Each month one of the six seventh and eighth grade rooms sponsors the dance. Parents provide the chaperones and the children man the committees.

Mrs. LeRoy Smith is the eighth grade parent who sees that the wheels go round. The committee reports to her, and she orders the refreshments. Mrs. Otis Skinner is the seventh grade mother in line for the job next year.

Parents must provide transportation to and from the dances. Children may not walk nor ride their bicycles. The admission originally was 15 cents. Now the children have decided they want more to eat so the admission has been advanced to 25 cents.

At the Moreland School open house, parents sat down beside their children for a lesson in social studies. Later in the evening they repaired to the cafeteria where the PTA served refreshments.

Room mothers from Robert Brady's sixth grade; Mrs. Ella Ryder, Mrs. Carson, Mrs. Henry Kurasaki; from Robert Sutter's sixth grade, Mrs. Ernest Speno, and Mrs. LaVonne Smith; and from Mrs. Josephine Starr's fifth grade, Mrs. Frank Maggi, Mrs. Betty Mayo and Mrs. Laura Neale, served as hostesses.

ROBERT FENTON CRAIG
Newly elected President of the California Republican Assembly.

Assemblyman Bruce Allen then reviewed highlights of the budget session of the Legislature, emphasizing progress made in solving the water resources problem and appropriation for repair of flood damage to roads.

Mrs. Lela Henderson, candidate for Santa Clara County Board of Education also spoke to the group.

GARDENER'S CHECK LIST

FLOWERING VINES

Want to hide an unattractive post, soften a corner line of the house, provide shelter from the wind, create a shady nook for relaxation or just decorate for fun? There are few plants in the entire plant kingdom like the flowering vine for such garden jobs.

A beautiful decorative vine with plenty of brilliantly colored varieties is the Bougainvillea, a sun lover and strong climber. An evergreen, it bears insignificant flowers which are surrounded by showy bracts. Bracts add the colors to the vine from magenta to scarlet and purple-red. Bougainvillea does best on a sunny wall. Control it with pruning and provide a rich soil and heavier than normal fertilizing.

Used along fences and rails or to outline a building, the many varieties of the Clematis are excellent.

The Evergreen Clematis (C. Armandi) produces white star-like flowers against a dark background of foliage. The Anemone Clematis (C. montana) and its variety Pink Anemone Clematis (C. montana rubens) are interesting because of the anemone-like blossoms of white and pink. Brilliant gold blooms appear on the Golden Clematis (C. tangutica) in June, followed by feathery fruit.

Another lovely flowering vine is the Vanilla Scented Trumpet Vine, (Distictis lactiflora) which features attractive foliage and trumpet-like flowers in shades of violet, lavender and white. A hybrid of

this vine, the Royal Trumpet Vine (D. riversi) has flowers with yellow tubes, faces of royal purple and orange throats—very colorful, indeed.

The Wisteria, well-beloved by all gardeners, offers many varieties with flowers of white, pink and violet. Remember when you plant this vine, says the California Association of Nurserymen, that its main stem eventually becomes a good-sized trunk so plant accordingly.
